ROCK & BOWL EVENT

July’s Rock and Bowl event attracted 16 bowlers playing 4 pairs. It was a yardstick game so both teams could get points if their bowl was within the yardstick of the jack.

Well done to Mandy Harris and Susie Derby who were the winners with the highest score. In total around 40 members attended and the chicken wraps with coleslaw, tortilla, salami extras went down very well. Along with a few games the night made about 230€ for the club.

NORTH/SOUTH CHALLENGE

The North South Challenge 2026 Participants

A great day at the club for third annual North / South Challenge Match. The first year the South were the winners, the second year the North took the title so who would take this year.

The two sides fielded 4 trips each, playing 15 ends with players changing position after 5 ends. Each player acting as skip, second and lead. Matches were competative but lots of fun and the victory went to the North

The South Team Captain Paul presenting the winning Cup to the North Team Captain Donald

The North Team Champions

Overall an excellent day. Thanks to Mandy in the Teahut and Martin switching sides to play after a North team member was ill.

Thanks to Carol and Steve for the tasty chicken wraps and extras afterwards and Carole for the Chocolate cake.

August's Rock and Bowl event

A very poor turnout for this event only 12 bowlers turned up so there were two trips.

This was played with a difference; the 2nd bowl had to be sent with your non dominant hand.

This created lots of laughs with folks not even knowing how to stand properly on the mat. Good Fun. A bit of music and some pulled pork wraps made for an enjoyable evening for those who attended. A Few photos to follow
