2. SHORT STATEMENT FROM THE PRESIDENT

In opening the meeting at 09.45H IM stated that 59 members were in attendance, just over 51% so the meeting could proceed as per our constitution.

IM reminded members that he had sent out a message to the effect that if anyone was willing to put their names forward for a committee position, the committee personnel were willing to step down. The only position that anyone has put their name down for is that of President.

IM said that therefore, with immediate effect he was officially stepping down as President and the Vice President (VP) will continue. VP, Graham Shoots (GS) took the Chair.

3. ELECTION OF OFFICERS

GS thanked IM for his service to the club as President which was echoed by those present with a round of applause.

GS informed the meeting that as only 1 name has been proposed, Adrian Leitch is elected to the position of President, unopposed, and there is no requirement for a vote.

4. CLOSE MEETING

GS thanked everyone for their attendance and closed the meeting at 09.49H

Signed:
